

ART CONSULTANCY

As architectural and design specialists we excel in bringing the right sense of place to space - for commercial and individual clients, hospitality, luxury and spa premises, and outdoor public spaces.

Our network of emerging and established artists, galleries and art dealers enables us to identify and connect the right art pieces for all our clients' needs. We are at your disposal to add significant amenity to your building and design projects and your art collection portfolio with our art consultancy services:

Collections Development

Art acquisitions services for any business seeking to employ art as a business asset.

Assisting collectors to give their collections direction or focus.

Placing the right work in the right place for the right reason.

Strategic Planning

Integration of art and cultural policies into business management strategies.

Project Management

Professional management of exhibitions and creative events

Curatorial

Creating major exhibitions and events, providing creative direction, sourcing content, managing relationships with artists, managing logistics and implementation.

Creative Communications

Devising creative branding and media strategies for companies, exhibitions and events.

Copywriting, graphic design and PR services.

LEAD CONSULTANT JONATHAN THOMSON

Jonathan Thomson is an Artist, Art Historian, Critic and Curator. He has more than 20 years of high level experience employing art to create and define spaces, in developing collections and devising and implementing art exhibitions throughout Asia.

As Art Consultant to Louis Vuitton Asia Pacific he helped the company to build its brand through the establishment and successful operation of high profile art spaces in Hong Kong, Macau, Taipei and Singapore. As Arts Advisor to Sunny Development Limited, the company established by Sino Land, Wharf Holdings and Chinese Estates, he assisted the company to develop its bid for construction and operation of the West Kowloon Cultural District in Hong Kong. As Art Consultant for Osage Gallery he helped chart the growth of the business into one of Asia's largest gallery groups.

He has also had many years of experience in corporate management and arts policy administration in Australia and Hong Kong as Deputy Director (Strategic Development) and Head of Secretariat at the Australia Council for the Arts, Deputy Secretary General of the Hong Kong Arts Development Council, Head of the Academic Services Office of the Hong Kong Academy for Performing Arts, and as Director of Operations and Academic Services of the Global University Alliance.
